

Dear Friend,

January 2022

We would love to include your business in this year's Gillispie special event – April in Paris – A Soirée to Support Gillispie School. Our annual “party with a purpose” will be held on April 9, 2022, and is an ideal way for you to market your business while supporting our school at the same time. We are acutely aware of the challenges our business community has faced over the past nearly two years and do not make this request lightly. Our hope is that this will also be a WIN for you.

Would you consider supporting us by donating goods and/or services to this year's online Soirée auction? We are especially seeking unique experiences and products that will drive interest in your business. This is a great opportunity to get your business in front of Gillispie families, who are highly engaged in their communities and are your current and future patrons! If you have specific ideas on how we can work together to best showcase your business, please contact us.

Fast Facts about Gillispie School

- Established in 1953, Gillispie is an independent school and has been a part of La Jolla for nearly 70 years.
- Gillispie serves over 300 children, beginning at age 2 through grade 6.
- Gillispie hosts this annual event to raise much needed funds for providing up-to-date technology, enhanced and unique learning opportunities for our students, a healthy, safe, and sustainable campus, and to maintain a robust financial aid program.

All donors will be featured on our auction website and promoted throughout the school in the weeks before the Soirée. This site is visited multiple times by each of our families, as well as by alumni, grandparents, staff, and friends and family of our parents.

Enclosed you will find a donation form. Questions? Please contact me at hdela@gillispie.org or (858) 459-3773 ext. 136. Our families, the Soirée committee, and most of all, our students thank you!

With gratitude,
